

=> Booking Website Project

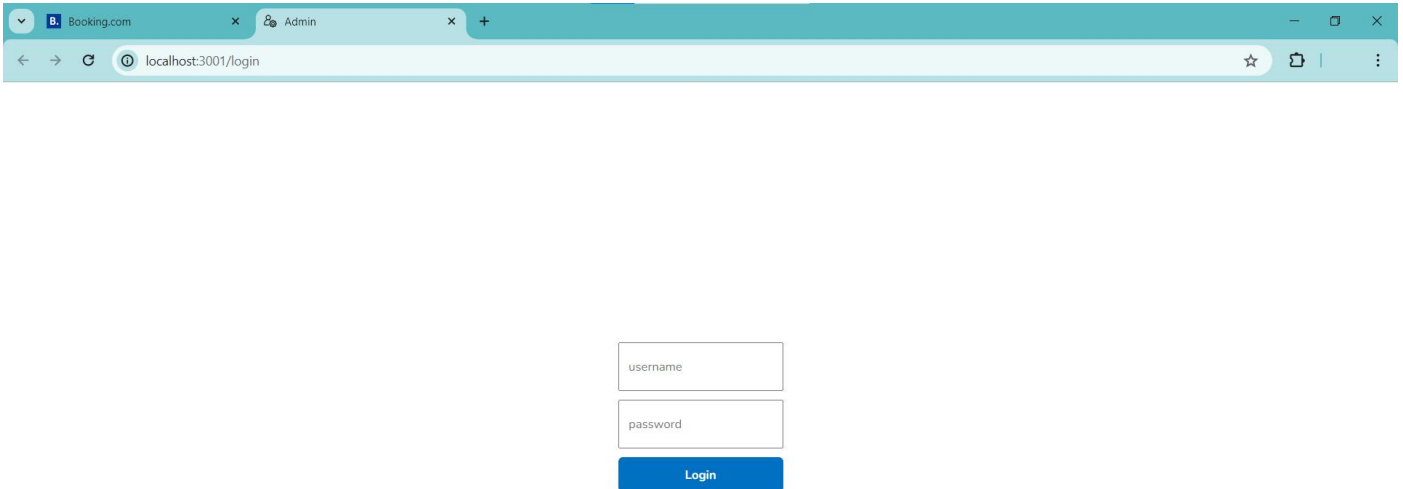

1. HomePage

2. SignUp

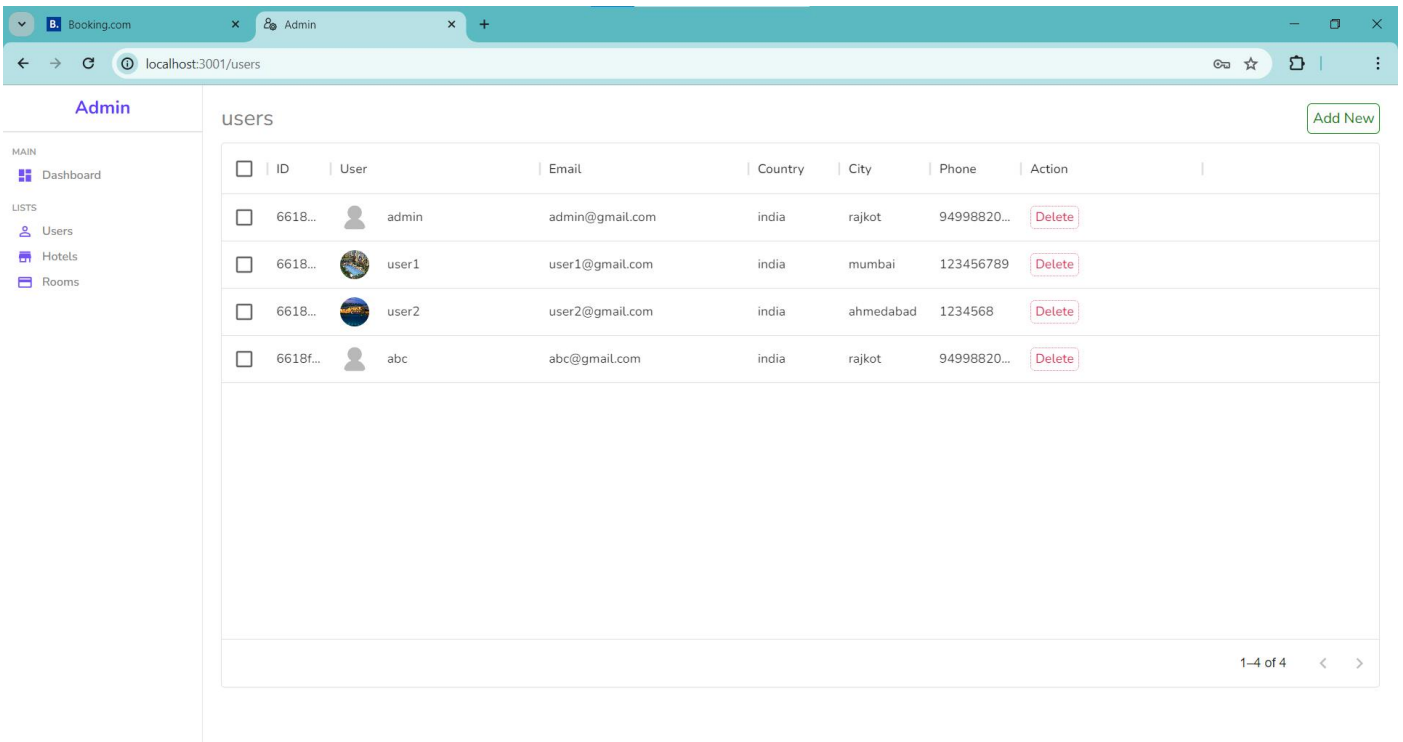

3. Admin Login Page

The screenshot shows a web browser window with two tabs: 'Booking.com' and 'Admin'. The address bar displays 'localhost:3001/login'. The login form consists of two input fields, 'username' and 'password', followed by a blue 'Login' button.

4. Admin Panel User Information

The screenshot shows the Admin Panel with a sidebar on the left and a main content area. The sidebar has a 'MAIN' section with 'Dashboard' and a 'LISTS' section with 'Users', 'Hotels', and 'Rooms'. The 'Users' list is selected, and the main content area displays a table of users. The table has columns for ID, User, Email, Country, City, Phone, and Action. There are four users listed: 'admin', 'user1', 'user2', and 'abc'. Each user has a 'Delete' button next to their phone number. An 'Add New' button is located at the top right of the table.

ID	User	Email	Country	City	Phone	Action
6618...	admin	admin@gmail.com	india	rajkot	94998820...	Delete
6618...	user1	user1@gmail.com	india	mumbai	123456789	Delete
6618...	user2	user2@gmail.com	india	ahmedabad	1234568	Delete
6618f...	abc	abc@gmail.com	india	rajkot	94998820...	Delete

6. Search for destination city ex. Rajkot

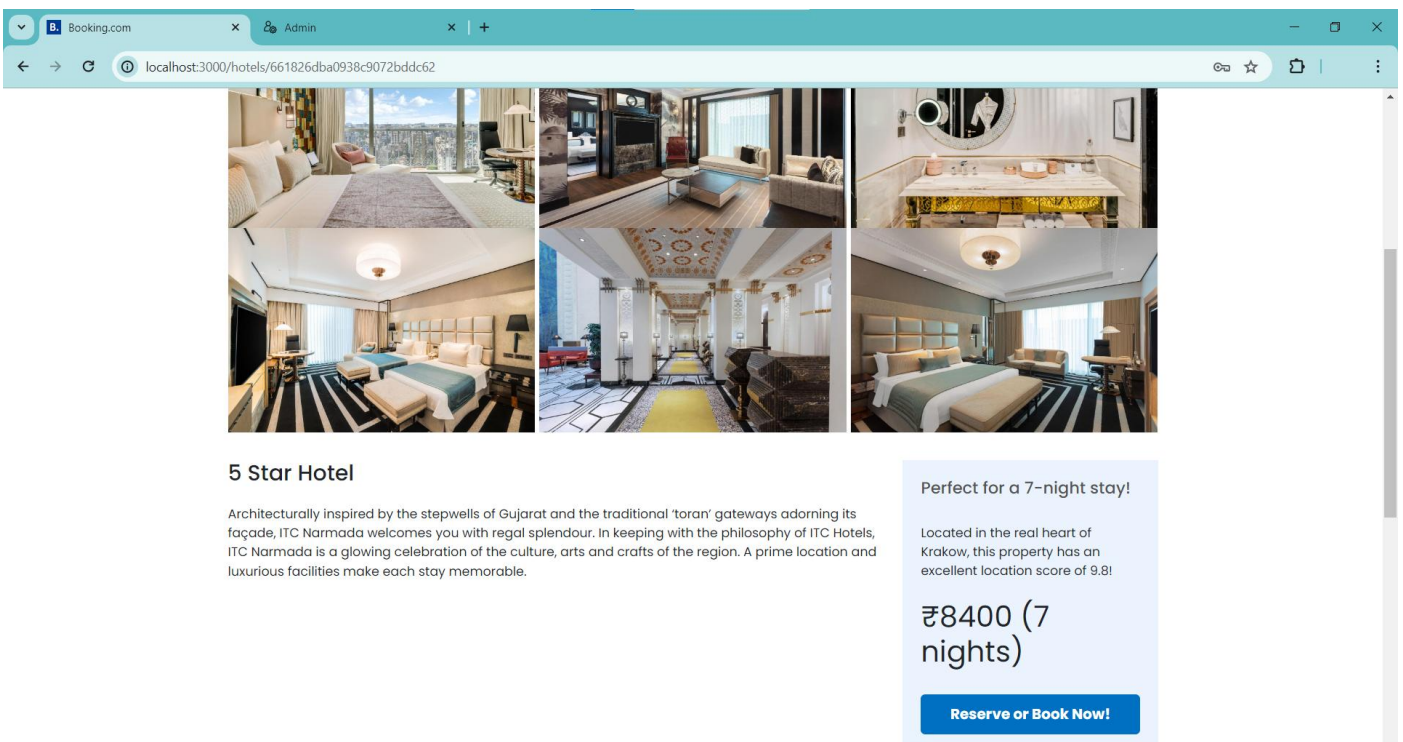

7. Searched Result

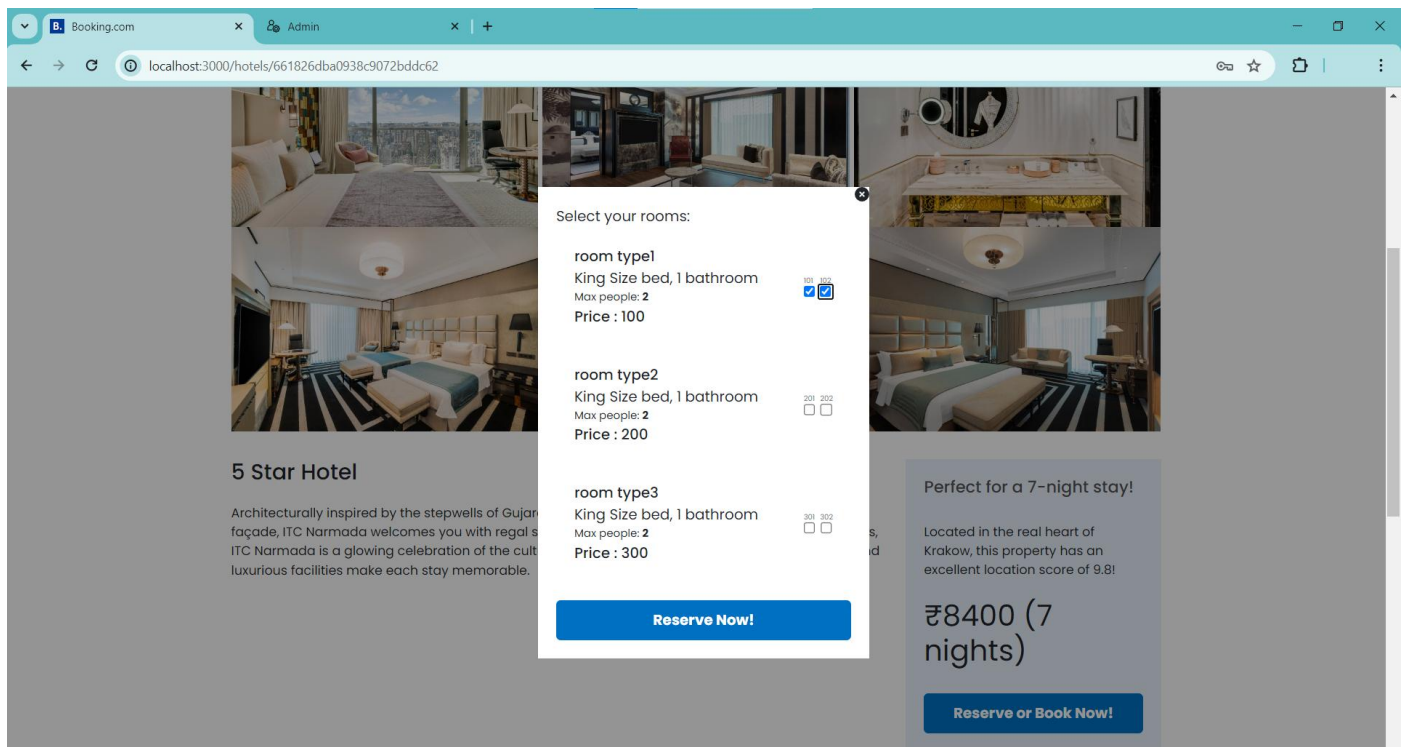

The screenshot shows the Booking.com search results page. On the left is a yellow search bar with the following details: Destination: rajkot, Check-in Date: 04/12/2024 to 04/19/2024, and search options for Min price per night, Max price per night, Adult (1), Children (0), and Room (1). A blue 'Search' button is at the bottom of the bar. The main content area displays a card for 'The Imperial Palace' with a price of ₹1200. The card includes a photo of a studio apartment, a 'Free airport taxi' badge, and a 'See availability' button. Text on the card describes the hotel as a 'Studio Apartment with Air conditioning' and mentions its architectural inspiration from Gujarati stepwells and 'toran' gateways. It also notes 'Free cancellation' and that the price is locked.

8. Hotel Detail

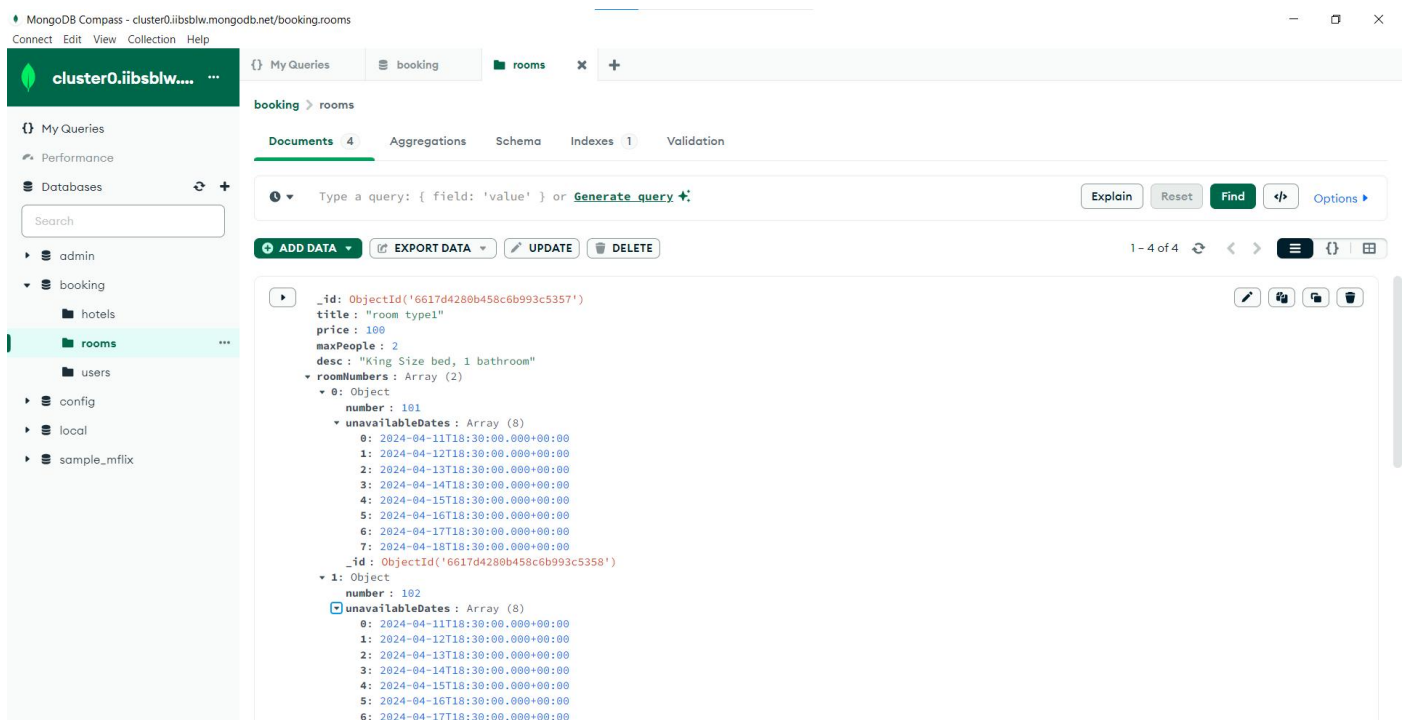

The screenshot shows the hotel detail page for 'The Imperial Palace'. The top section features a grid of six images showing the hotel's interior, including a studio apartment, a lounge area, and a bedroom. Below the images, the text '5 Star Hotel' is displayed. A paragraph describes the hotel's architectural inspiration and location. To the right, a blue box highlights the price '₹8400 (7 nights)' and includes a 'Reserve or Book Now!' button. Above the price, it says 'Perfect for a 7-night stay!' and 'Located in the real heart of Krakow, this property has an excellent location score of 9.8!'.

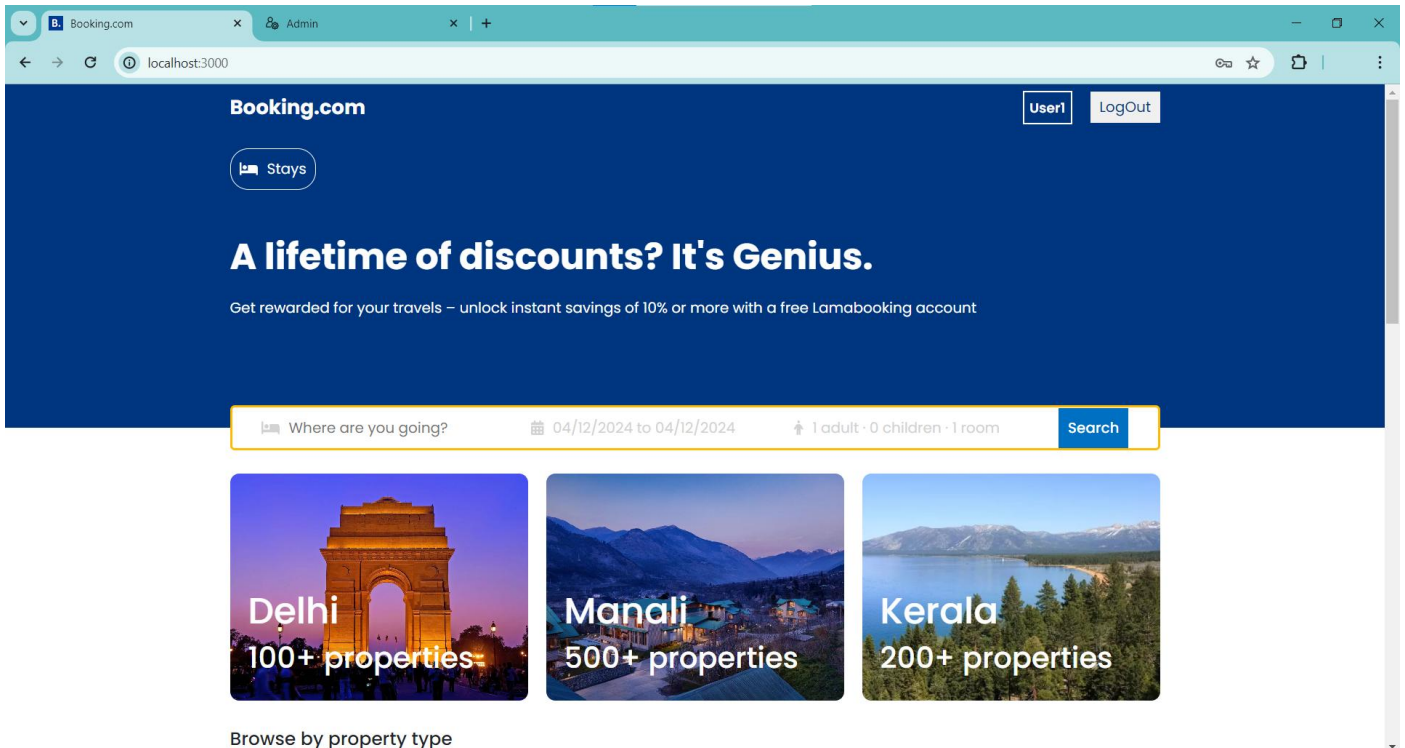

9. Book Rooms for 7 days

19. Hotel Admin Panel

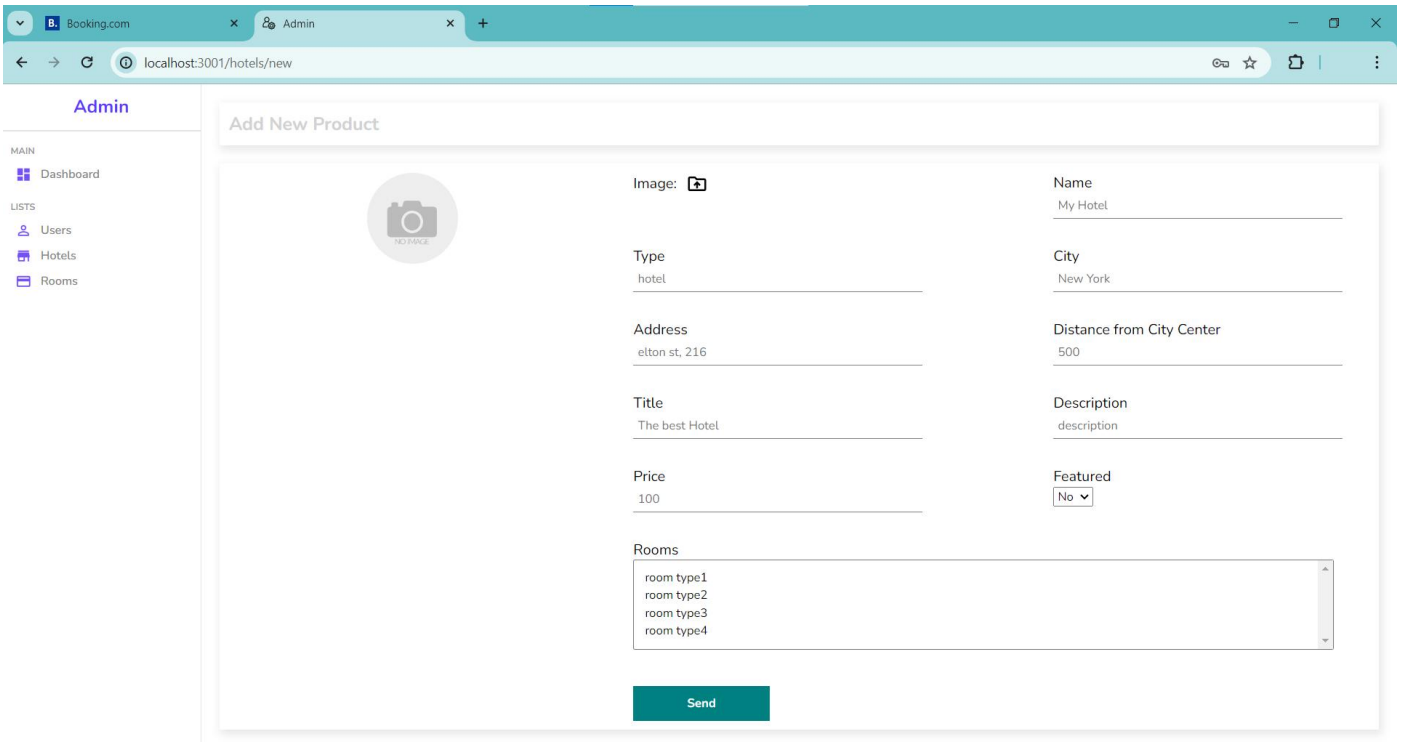

The screenshot shows a web browser window with the URL `localhost:3001/hotels`. The page is titled "hotels" and has an "Add New" button in the top right corner. On the left, there is a sidebar with the "Admin" section selected, containing links for "Dashboard", "Users", "Hotels", and "Rooms". The main content area displays a table with the following data:

ID	Name	Type	Title	City	Action
66182571a0938c9072bddc1b	ITC Narmada	hotel	The Narmada State room	Ahmedabad	Delete
661826dba0938c9072bddc62	The Imperial Palace	hotel	5 Star Hotel	rajkot	Delete

At the bottom right of the table, it shows "1-2 of 2" with navigation arrows.

20. Add hotel through admin panel

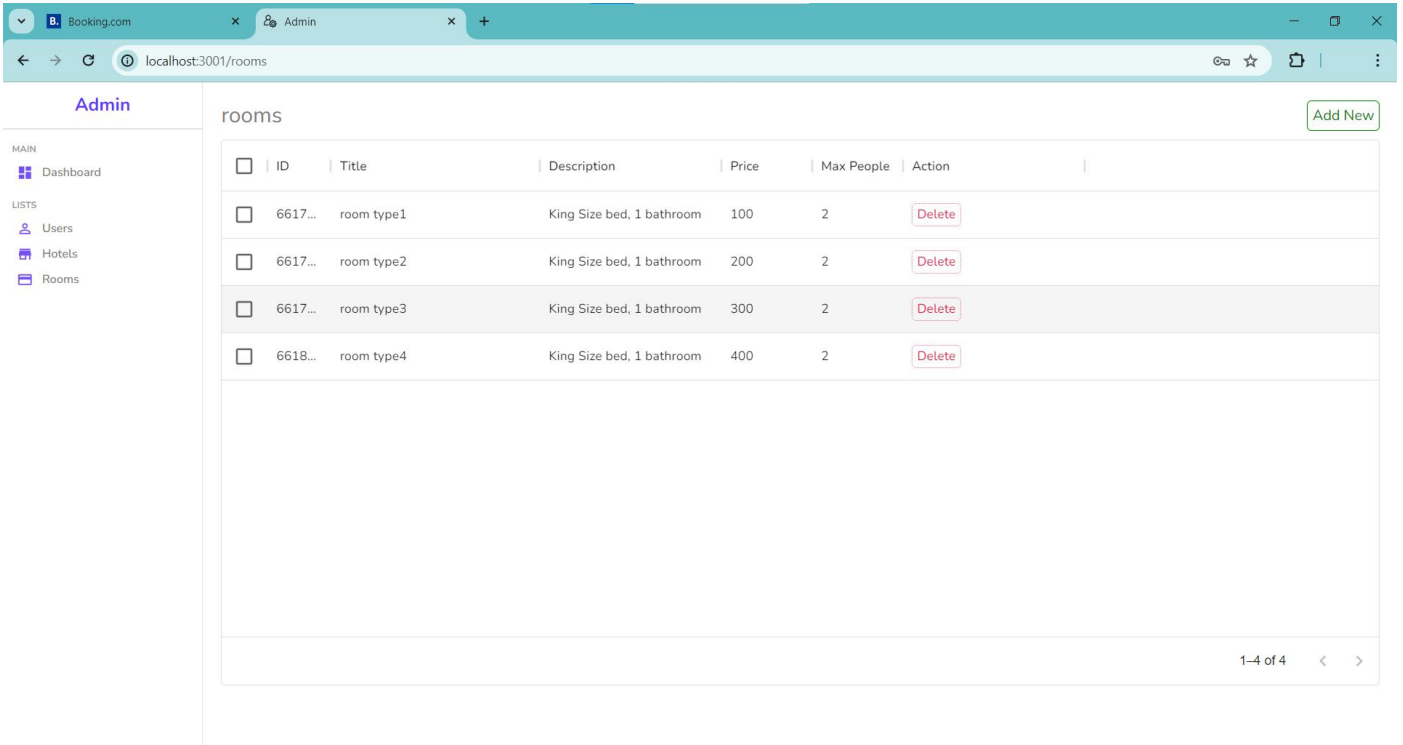

The screenshot shows the "Add New Product" form in the admin panel. The form includes the following fields:

- Image:** A placeholder for an image with a camera icon and the text "NO IMAGE".
- Type:** A text input field containing "hotel".
- Address:** A text input field containing "elton st, 216".
- Title:** A text input field containing "The best Hotel".
- Price:** A text input field containing "100".
- Rooms:** A text area containing a list of room types: "room type1", "room type2", "room type3", and "room type4".
- Name:** A text input field containing "My Hotel".
- City:** A text input field containing "New York".
- Distance from City Center:** A text input field containing "500".
- Description:** A text input field containing "description".
- Featured:** A dropdown menu with "No" selected.

A "Send" button is located at the bottom of the form.

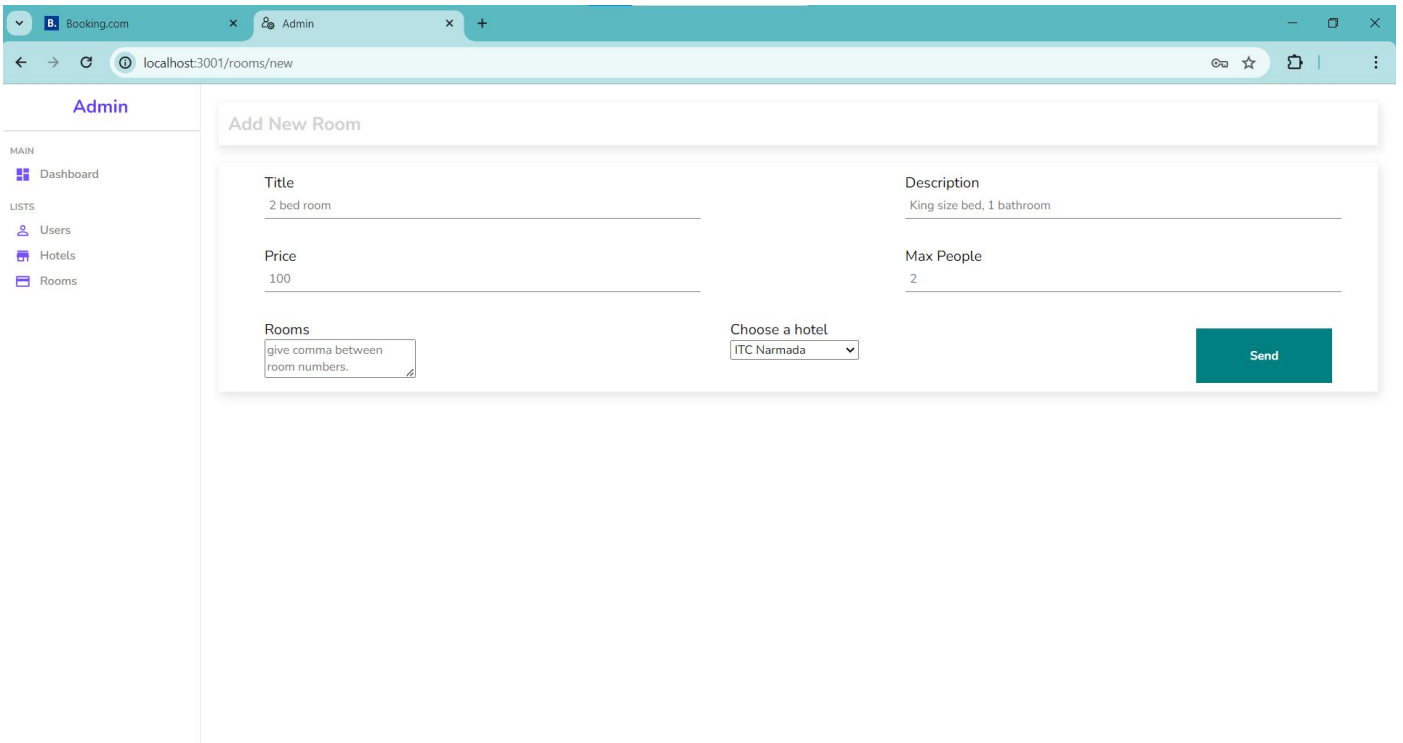

21. Room information admin panel

The screenshot shows a web browser window with the URL `localhost:3001/rooms`. The page is titled "rooms" and features a table with the following columns: ID, Title, Description, Price, Max People, and Action. There are four rows of room data, each with a "Delete" button. A sidebar on the left contains a navigation menu with "Dashboard", "Users", "Hotels", and "Rooms". A green "Add New" button is located in the top right corner of the table area.

ID	Title	Description	Price	Max People	Action
6617...	room type1	King Size bed, 1 bathroom	100	2	Delete
6617...	room type2	King Size bed, 1 bathroom	200	2	Delete
6617...	room type3	King Size bed, 1 bathroom	300	2	Delete
6618...	room type4	King Size bed, 1 bathroom	400	2	Delete

22. Add new rooms through admin panel

The screenshot shows a web browser window with the URL `localhost:3001/rooms/new`. The page is titled "Add New Room" and contains a form with the following fields: Title (2 bed room), Description (King size bed, 1 bathroom), Price (100), Max People (2), Rooms (give comma between room numbers), and Choose a hotel (ITC Narmada). A green "Send" button is located at the bottom right of the form.
